The Last Piece of the PiE....

Have you ever wondered where PiE fundraising profits go? Each spring teachers are invited to submit a wish list of items they'd like for their classroom that are outside of the budget. Superintendent Mr. VanProoyen looks over the list and submits it to the PiE Board. We're proud to say that in the past 4 years we've been able to purchase the entire wish list. This means that every teacher in every classroom is able to purchase everything from Pre-School furniture all the way up to High School microscopes. Everything needed to make an individual classroom that much more successful. Last year we were able to make major technology purchases and the year before PiE purchased the new Grade School playground equipment. PiE profits vary each year. Last year we were able to donate \$80,000. It's all due to the fact that you support us. Thank you for that support. See you Saturday at A Night Out for Timothy. It will be fun!
